

**City of Menahga  
Action Memorandum 16-010**

**Subject:** Accept a of \$3,500 Donation from the Lions Club and Authorize the Purchase of a Swim Raft in the Amount of \$3,500 from Menahga Marine and Rental

**Agenda of: June 13, 2016**

**Council action:** Accepted and authorized

**Summary statement:**

The City was approached by a member of the Lion Clubs regarding the City's interest in a donated swim raft for use at the lake. On June 7, 2016, the Lions Club authorized a \$3,500 donation to the City for purchase of a swim raft.

The Park/Beach/Street Liaison Group discussed the issue and voiced concern regarding the City's liability but ultimately agreed to forward the matter to the council for further consideration.

The following two quotes were obtained:

| Vendor                           | Size            | Amount   |
|----------------------------------|-----------------|----------|
| Menahga Marine and Rental        | 12 x 12         | \$ 3,500 |
|                                  | 12 x 16         | \$ 4,250 |
| Timber Creek Dock & Lift Service | 52" x 10' x 15" | \$ 3,715 |
|                                  | 80" x 10'       | \$ 3,306 |

It is the City's request that the swim raft be "swamp proof" and be manufactured in a manner to lessen the liability.

**Fiscal information:**

Total amount of funds listed in this legislation: \$ 3,500

This legislation (✓):

Has no fiscal impact    
  Creates a positive impact in the amount of: \$ 3,500  
 Creates a negative impact in the amount of: \$ \_\_\_\_\_

Funds are (✓):

#### Swim Platforms

From a simple single-section to a multi-section platform with slides and ladders, EZ Dock's floating dock sections make the perfect swim platform.

EZ Dock has a wide variety of dock sections, optional railings, and accessories to customize your floating platform for swimming, scuba diving, snorkeling, photography/film crews, and wildlife research. Our slip resistant surface and innovative flotation design provides a safe, secure and stable platform for residential to municipal swim areas.

Floating docks provide users with a stable platform for gear and easy assistance and monitoring of swimmers and divers as they enter and exit the water.

Contact your EZ Dock dealer (<http://www.ez-dock.com/about-ez-dock/dealer-locator/>) for design ideas for your floating swim platform.
