

**City of Menahga  
Action Memorandum 17-058**

**Subject:** Authorize the Installation of a Frisbee Disc Golf Course at the Menahga Memorial Forest Park and Campground

**Agenda of: November 13, 2017**

**Council action:** Authorized \_\_\_\_\_

**Summary statement:** One of C&C's projects is a Frisbee Disc Golf Course. C&C would like to incorporate the Course into the Campground.

C&C met with a course designer who came to Menahga and walked the Campground. He suggested a 12-hole course, with the first three holes running along Highway 71, and the remainder of the holes in the woods at the back of the Campground. None of the campsites will be affected and there is still room to expand future sites.

C&C is actively fundraising for Course equipment. The equipment includes Frisbee baskets, signs, throwing tees, and other miscellaneous items.

Brush will need to be cleared at the Campground. The City is planning on using both volunteer labor and City staff to complete the clearing.

Historically, Frisbee Courses provide positive economic development opportunities. Tournaments are held throughout Minnesota and installation of a 12-hole course will bring tournaments to Menahga as well.
