

**MENAHGA CITY COUNCIL PUBLIC HEARING  
FEBRUARY 5, 2009 / 6:30 P.M.**

The Public Hearing for CSAH 21, Rittenhouse, Blueberry Addition and Sewer Replacement- Kronholm Estates of the Menahga City Council was held in the Council Chambers on Thursday, February 5, 2009. The meeting was called to order at 6:30 p.m. by Mayor Tom Larson.

Members present: Kim Rasmussen, Maxine Norman, Dennis Komulainen.

Mayor Larson informed the audience that the hearing was being held under the requirement of Chapter 429 of the Minnesota State statues.

City Engineer Chris Thorson outlined the proposed improvements to CSAH 21, Oak Avenue, Blueberry River Drive, and Kronholm Estates lift station. Estimated project costs were reviewed with several average lots size scenarios being looked at. Project Timelines were proposed. The council was briefed on the removal of the water loop on Oak Avenue as a cost saving measure. Council also discussed the storm water pond located on city property.

The public in attendance was given the opportunity to ask questions about the project.

The Public Hearing was adjourned at 8:03 p.m.
