Subject: 2019-2020 Snow Control Agreement on Truck Highways Within Municipalities
Attachments: INFORMAL BID FOR SERVICES AND RENTALS - BID DOCUMENT-1220505-v1 (1).docx

City of Menahga:

This agreement is for Hwy. 87 & 71 Jct. South only.

Please read the agreement below, sign it and return it to me along with a completed copy of the attached Informal Bid for Services and Rentals.

Thank you,
Sue Wynn | Admin. Assistant
Minnesota Department of Transportation
Susan.wynn@state.mn.us

The Minnesota Department of Transportation (MnDOT) would like to request your participation with snow removal for the 2019-2020 winter season

The following are guidelines when the City participates with MnDOT in snow removal adjacent to commercial businesses:

- MnDOT assumes responsibility for the center 24' of roadway.
- Remainder of the roadway is the responsibility of the municipality.
- MnDOT will reimburse the entire curb to curb loading costs with the following conditions:
 - Municipality provides the hauling and disposal.
 - Municipality must obtain prior authorization before loading costs are incurred for each snow removal instance.
 - Failure to obtain prior authorization for approval of snow removal for each snow removal instance could result in non-payment.
- Below are the MnDOT contacts for prior authorization and/or questions:

Aitkin Area
Cities: Aitkin, Jenkins, Remer, Emily
Contact Gregg Settergren, Sub-Area Supervisor 218-232-6800

Brainerd/Baxter Area
Cities: Wadena, Ironton, Crosby, Deerwood, Motley, Menahga
Contact Todd Fussy, Sub-Area Supervisor 218-232-6703

Little Falls Area

Cities: Browerville, Little Falls, Onamia, Pierz
Contact Jesse Friedrich , Sub-Area Supervisor 218-232-6704

- In the event of extreme snowfall or high loading costs:
 - MnDOT's monetary participation may be eliminated.
 - MnDOT will remove the snow from the center 24' when time permits or arrangements may be made with the Sub-Area Supervisor to utilize state and municipal equipment in a cooperative effort.

If you are interested in entering into this agreement with MnDOT for the upcoming winter season, print out and sign this agreement on the line indicated at the bottom and return the signed agreement to Sue Wynn at the e-mail address below along with a completed Informal Bid for Services and Rentals form for each piece of equipment that will be used. Do not submit bids for trucks as the municipality is responsible for hauling and disposal. Insurance forms are not required.

Invoice Information: Submit within two weeks after each snow event; please be timely throughout the season. Final invoices must be submitted to MnDOT by May 1, 2020.

- Invoices must contain the following:
 - Date(s) of snow removal.
 - Itemized list of pre-approved equipment used with hours and unit costs.
 - Total amount of all items invoiced.

NOTE: Any missing information will require a new invoice to be submitted by the City, which could delay payment.

- Invoices must come from the City, not the contractor.
- Send all invoices to the following address:

Minnesota Department of Transportation
 Attn: Maintenance Superintendent
 7694 Industrial Park Road
 Baxter, MN 56425

This agreement and the Informal Bid for Services and Rentals form must be completed along with the required signatures and on file in our office before any costs may be incurred. Please send completed information to Sue Wynn via email to susan.wynn@state.mn.us by **November 6, 2019**.

If your City elects to not participate in the agreement, kindly respond to this email informing us that you will not be participating.

By signing this agreement, you agree to all of the above.

Date	Municipality	Signature (Authorized Representative)

If you have any questions regarding this information, please feel free to email me or call me at 218-828-5734.

Sincerely,
 Todd Sangren
 Maintenance Superintendent
